

**Josh Dunning**  
Vice President,  
Driver Safety Programming

# AARP fights for and equips each individual to live their **best life.**

The nation's largest nonprofit,  
nonpartisan organization  
dedicated to people age 50+ and  
their families

## AARP Driver Safety Mission

**Develop and deploy** transportation education designed to help drivers and riders remain safe, independent, connected, and confident as they age.

AARP Volunteers

**50 years** of Driver  
Safety Leadership

# AARP Driver Safety Programs

## Established Community Programs

<b>Smart Driver</b> 3,000+ Driver Safety Volunteers nationwide lead more than 20,000 in-person events annually.	<b>CarFit</b> Free, educational program helping older drivers adjust their “fit” for maximum safety and comfort.	<b>WNTT</b> Free seminar around family conversations about limiting or stopping driving
<b>Smart DriverTEK</b> Free workshop around new vehicle technology That is keeping people safer on the roads.	<b>Quick Learnings</b> A series of short videos explaining vehicle technology, autonomous vehicles, ridesharing services and much more	

## Emerging Programs

<b>Mobility Programs</b> Focused pilots, such as our Ride @50+ <sup>SM</sup> MaaS program, and new pilots on the horizon supporting equitable transportation access, education, and local resource integration	<b>AARP SafeTrip (mobile app)</b> Our newest offering debuting in Q4 2022 will provide real-time education when it matters most
